MEMORANDUM FOR: Director of Central Intelligence

25X1

SUBJECT : [redacted] Suggestions for your Meeting  
with the President's Board, Monday,  
15 May, 2:30 to 4:00 p.m.

25X1

1. [redacted] suggests that there be no intelligence briefing per se inasmuch as this first meeting of the Board will be primarily organizational. He indicates it be a very general briefing which would give your current thinking on the major problems facing the intelligence community. He also would be appreciative if you would indicate those areas in which you think the Board could best interest itself. He wishes to advise you that the Board will not be seeing either the Secretary of State or the Secretary of Defense at this time, or representatives of any of the other intelligence agencies. Thus, the Board's discussion will be primarily internal except for its meetings with the President, Mr. Bundy, and yourself.

2. For your assistance in considering what you might wish to discuss with the Board, particularly with a view toward guiding them as to subjects they should concern themselves with, I would mention the following:

a. Action on the recommendations of the Joint Study Group, including leaving with them a copy of the quarterly report
